

The Bird Rescue Center of Sonoma County

July 25th, 2017

In memoriam: Zach Dautrich

A naturalist, raptor specialist, tracker, mountain lion researcher, educator, wildlife author and gifted photographer, Zach truly embodied the role of Earth Steward. Zach was a dedicated volunteer Field Rescuer and Raptor Handler at BRC. Those who knew him remember his humor, ready smile, contagious enthusiasm, and love for our resident Raptor Ambassadors

Over \$12,000 of donations in Zach's memory have enabled the purchase of essential diagnostic and other equipment for our Rehab Hospital. It is with great appreciation that we dedicate the Zachary Elias Dautrich Medical Laboratory to our friend, and to Zach's friends and family for making this possible! The formal dedication will be held at **The Bird Rescue Center on Friday August 4 at 5 pm.**

An educator himself, before Zach passed away he requested that memorial contributions support our work educating the public. The Zach Dautrich Resident Raptor Fund will provide ongoing care for the Center's 18 non-releasable Raptor Ambassadors.

If you were fortunate enough to know Zach, or feel inspired by his life, please consider making a donation in his memory. You can do so on BRC's online donation page: bit.ly/Zach-Dautrich-Raptor-Fund

Checks (payable to Bird Rescue Center) also may be sent to:
