

Become a Guardian

The Bird Rescue Center is dedicated to the rescue, rehabilitation and release of orphaned, ill and injured native birds.

The Bird Rescue Center of Sonoma County

Although our primary goal is to return birds to their natural habitat, inevitably some of them, due to their injuries, cannot be released. A select few birds of prey become permanent residents at BRC. They serve as Ambassadors in our education and outreach programs, helping to teach our community's children and adults about the importance of birds and wildlife in our environment.

We invite you to become a Guardian for your favorite resident Raptor Ambassador for the next 12 months. Schools and classrooms, families, businesses and organizations can be Guardians, too!

Ambassador Guardians receive

- An 8x10 photo of your bird
- Certificate of Guardianship
- Letter confirming Guardianship

Simply select your bird below, fill out the form and either mail it or bring it into BRC (9 to 4:30 any day), along with your payment.
