

The Bird Rescue Center
of Sonoma County

membership

birds of a feather
flock together!

Your tax-deductible contribution provides food and medicine necessary for the recovery, rehabilitation and release of wild native birds.

Your Bird Rescue Center membership helps with

- Bird rescue response
- Rehabilitation and release
- Food and supplies
- Veterinary costs and medicines
- Resident raptor ambassador care
- Transportation
- Educational programs
- Outreach and more

Rehabilitation and Education

Each year, through the efforts of trained volunteers and supporting veterinarians, a healthy percentage of the 3,000+ birds that come to us are **rehabilitated** and **released** back into the wild. We are proud of this accomplishment!

And it is not just wild birds that benefit from our activities. **Community residents** deeply appreciate knowing that we are there to help and support their concerns for the birds they have rescued.

Our **outreach classes** and **presentations** also help educate the community about the natural history and environmental significance of wild birds.

Through our **volunteer programs** we provide area residents, both adult and youth, with a unique opportunity to have hands-on experience with native wildlife, while making a meaningful contribution to the environment.
